President's message

Welcome members, associates & friends,

We give a huge "thank you" to Richard Vandenbosch for being our July featured speaker! He taught us about the history of America, the 3 branches of government, & the Constitution – he truly is a gifted teacher and professor!

What an exciting experience at the CFRW Board of Directors conference at Harris Ranch on July 16th & 17th. We enjoyed great speakers, and great fellowship with other CFRW members! We heard from District #16 Senator Shannon Grove, CFRW President Janet Price, as well as many CFRW Executive board members.

Please – be sure to attend our upcoming meeting on August 9th. We will be showing the movie "[2000 Mules](#)," produced by Dinesh D'Souza. **WE WILL BE STARTING EARLY!! (See page#3 for details). Bring your friends & family!

Regretfully, August 9th will be our last meeting at Seasons. We will be searching for another venue where we could hold meetings, preferably with a central location. *Please watch your email for future communications from us!

And remember: we must stay laser-focused on November 7th, 2022! Volunteer to help our Republican candidates by: making phone calls, writing letters to the editor, knocking on doors, stuffing envelopes, or attending rallies – just to name a few opportunities.

*****Let's get to work – to take back the House and Senate!!!**

Greetings Warriors of Wisdom and Hope . .

OK, boss, you just received this letter of ???, what are you going to do?

"I have enjoyed working here these past several years. You have paid me very well and provided my benefits beyond belief. I have had three to four months off annually, a pension that will pay my salary until the day I die, and then continue to pay my spouse my salary with increases until she/he dies along, in addition to a health plan that most people only dream of.

Despite this, I now plan to take the next 12 to 18 months to find a new position.

During this time I will show up for work when it is convenient for me, and fully expect to draw my full salary and all the other perks associated with my current job.

Should my search for this new job prove fruitless, I will, of course, be coming back with no loss in pay or status.

Be advised, you do not have any choice in this matter. I can . . . and I will do this!

Sincerely--and most appreciatively,

EVERY MEMBER OF CONGRESS RUNNING FOR RE-ELECTION

Just curious . . . would you have any problem with vigorous background checks regarding firearms provided the same checks are done regarding immigration, Voter ID, and candidates running for office?

Until next time . . .
